Official Organ of EUROTOX

Edited on behalf of the Deutsche Gesellschaft für Experimentelle und Klinische Pharmakologie und Toxikologie

Founded in 1930 by H. Wieland with the backing of the Deutsche Pharmakologische Gesellschaft. Vls 1-14 published under the title "Sammlung von Vergiftungsfällen". Vols 15-27 published under the title "Archiv für Toxikologie" and edited as follows: Vols 1-4 by H. Führer, Vols 5-15/2 by B. Behrens, Vols 15/3-16/1 by B. Behrens and K. Wagner, Vols 16/2-22 incl. by B. Behrens, H. Oettel and K. Wagner, Vols 23-28 incl. by D. Henschler, Vols 29-36 incl. by W.D. Erdmann, Vols 37-55/2 by H. Frohberg, as of Vol 55/3 by H. M. Bolt.
Publisher: E. C. W. Vogel, Leipzig-Berlin; from Vol 11 (1941) Springer, Berlin.

Submission of a manuscript implies: that the work described has not been published before (except in form of an abstract or as part of a published lecture, review or thesis); that it is not under consideration for publication elsewhere; that its publication has been approved by all co-authors, if any, as well as - tacitly or explicitly - by the responsible authorities at the institution where the work was carried out. Transfer of copyright to Springer-Verlag becomes effective if and when the article is accepted for publication. The copyright covers the exclusive right (for U.S. government employees: to the extent transferable) to reproduce and distribute the article, including reprints, translations, photographic reproductions, microform, electronic form (offline, online) or other reproductions of similar nature.

All articles published in this journal are protected by copyright, which covers the exclusive rights to reproduce and distribute the article (e.g., as offprints), as well as all translation rights. No material published in this journal may be reproduced photographically or stored on microfilm, in electronic data bases, video disks, etc., without first obtaining written permission from the publisher. The use of general descriptive names, trade names, trademarks, etc., in this publication, even if not specifically identified, does not imply that these names are not protected by the relevant laws and regulations.

An author may make an article published by Springer-Verlag available on his/her personal home page, provided the source of the published article is cited and Springer-Verlag is mentioned as the copyright holder. Authors are requested to create a link to the published article in LINK, Springer's internet service. The link must be accompanied by the following text: "The original publication is available on LINK at http://link. springer.de".
